

EndVenture Tour of London - Tour 3 Plan

1 – Canary Wharf

London is not only about the historical buildings and surroundings. Canary Wharf is a major business district and one of the UK's two main financial centres which means tall buildings that will definitely serve well for the photography tour. Not only will you get regular photos with this tour but you will also receive digitally manipulated nicely designed images made with architectural captures in Canary Wharf.

Photography Style: Architectural Portrait & Urban Photography
